

# Meet the Teacher

## A little bit ABOUT ME

Hello! My name is Summer Miller. Welcome to my first-grade classroom! I am so excited to meet your children and learn more about them. I am 30 years old and have a 5-year-old daughter. This will be my third year at Digital Academy of Florida. I can't wait to show you my new and innovative ways of teaching your children to help them strive to their fullest potential.

## My HISTORY

I have lived in Florida all my life. From Kindergarten to second grade, I lived in Hobe Sound. Then, when I was entering third grade, my mother and I moved to Jupiter. I lived in Jupiter until I graduated college. I currently live in West Palm Beach.

## My Education

I graduated from Florida Atlantic University in 2018 with a Bachelor of Science in Elementary Education. Hopefully soon, I am hoping to go back to school to get my masters.
